Data on state and county levels includes: Foreign-born population and share; Illegal Alien population and share (national and state only); Naturalized (U.S. citizen) immigrants; Legal immigrant admissions; Refugee admissions; Foreign student enrollment; Costs of illegal aliens (national and state only); Limited English Proficiency student enrollment; Immigration's impact on population growth

[Grant Makers Concerned with Immigration and Refugees](#) (GCIR)

www.gcir.org/immigration

GCIR's mission is to influence the philanthropic field to advance the contributions and address the needs of the country's growing immigrant and refugee populations.

[New York Times: Immigration Explorer Interactive Map: 1880-2000](#)

www.nytimes.com/interactive/2009/03/10/us/20090310-immigration-explorer.html

This interactive map illustrates how immigrants have settled across the U.S. over the years.

[New York Times: Mapping America: Every City Every Block](#)

<http://projects.nytimes.com/census/2010/explorer>

Map showing the distribution of racial and ethnic groups based on state, city, and zip code.

Immigration Statistics

[Migrant Information Source](#)

www.migrationinformation.org

Provides authoritative data from numerous global organizations and governments, and global analysis of international migration and refugee trends.

[National Immigration Law Center \(NILC\)](#)

www.nilc.org

NILC's mission is to defend and advance the rights and opportunities of low-income immigrants and their family members.

[Office of United Nations High Commissioner on Refugees \(UNHCR\)](#)

www.unhcr.org

UNHCR provides data, reports, maps and other statistical reports on refugees, asylum-seekers, returned refugees, the internally displaced and stateless people. Detailed information on country of asylum, place of origin, gender, age, location and legal status of refugees is also available.

[Urban Institute: Research of Record](#)

www.urban.org

Urban Institute gathers data, conducts research, evaluates programs, offers technical assistance overseas, and educates Americans on social and economic issues.

[U.S. Department of Homeland Security \(DHS\)](#)

www.dhs.gov/citizenship-and-immigration-overview

DHS provides numerous reports and fact sheets, including the Yearbook of Immigrant Statistics, a compendium of tables that provides data on immigrants and refugees who have been admitted in to the U.S., as well as data on immigration enforcement actions.
